Michele DRINKARD Head Coach

SIXTH SEASON | ALABAMA, 1986

- **Top 50 Teacher by *Golf for Women* magazine**
- **Dixie Section PGA Teacher of the Year**
- **Two-time Big South Coach of the Year**

When head coach Michele Drinkard took over the Ole Miss program in the summer of 2007, she was charged with the task of rebuilding a program that had not seen much success since its last NCAA appearance in 2004. The Rebels had been a program with tournament titles and four previous NCAA Regional appearances. But the four seasons prior to Drinkard's arrival saw the team struggle to last place finishes in the SEC and no NCAA appearances. It didn't take her long to ignite a fire under the program.

ON THE RISE

In six years, Drinkard has guided the Rebels to three straight postseason appearances, as the Rebels participated in the NCAA East Regional in 2009, the Central Regional in 2010 and the East Regional in 2011.

In 2010, the Rebels boasted an individual winner, as

Natalie Gleadall captured the Cougar Classic, and qualified for the NCAA East Regional. Four members of the team were named NGCA All-American Scholar-Athletes, and the Rebels tied with South Carolina for the most selections in the SEC.

In 2010, the Rebels earned their second straight NCAA appearance. The team went into the final day of play at the regional with a chance to advance to the NCAA Finals for the first time ever.

Individually, Sara Grantham earned All-SEC sec-

ond team honors, becoming the second player under Drinkard to earn All-conference honors. Ole Miss continued its academic prowess under Drinkard, as four players earned NGCA All-American Scholar accolades. The Rebels tied with South Carolina for the most selections in the SEC.

In 2009, Drinkard led the Rebels to their best finish in the SEC (7th) since 1999 and the program's first tournament title (Johnie Imes Invitational) since 2004. The team earned the program's first NCAA appearance since 2004, participating in the NCAA East Regional.

The Rebels earned additional top-five finishes at the Mercedes-Benz, The Derby, Kiawah Island Intercollegiate and the Rebel Intercollegiate. The team's 881 total at the Mercedes-Benz is the lowest three-round total in school history.

Dori Carter became the first player in the history of the program to earn All-SEC first team honors multiple times and also earned All-America honors for the second year in a row. Carter became the first individual winner since 1999, when she captured the Rebel Intercollegiate.

REBUILDING A PROGRAM

Rome wasn't built in a day, and Drinkard knew that

changing the culture in a program that had not experienced much success in recent years wouldn't happen overnight.

Drinkard has worked tirelessly to put the Rebels back in contention in the SEC and for postseason play, and in her first season (2008) the team took small steps in that direction.

Dori Carter became the first All-American in the history of the program, as well as the first All-SEC first team honoree since 1999. Carter participated in the NCAA East Regional and ended the year ranked No. 24 in the nation.

The Rebels lowered their stroke average from the 2007 season by more than two strokes, and earned top-five finishes at the Suntrust Lady Gator Invitational and the Crimson Tide Classic. In fact, the team's total of 892 at the Lady Gator equaled the program's second lowest 54-hole total in school history.

SUCCESS OFF THE COURSE

Not only do Drinkard's teams succeed on the course, but they excel in the classroom. In 2009, the Rebels received the Chancellor's Cup for the highest grade point average among all women's varsity sports at Ole Miss. Drinkard has coached nine players to NGCA All-American Scholar honors.

While at Birmingham Southern, Drinkard coached the Big South Scholar-Athlete of the Year in 2006, and three of her players earned NGCA All-American Scholar honors.

PLAYERS ACHIEVE SUCCESS AFTER OLE MISS

Drinkard's players not only succeed in college, but after they leave. After a stellar collegiate career, Dori Carter participated on the LPGA Futures Tour in 2010 and won her first professional tournament at the Pennsylvania Classic. Carter qualified for the LPGA Tour in her first attempt in December of 2010 and recently earned her card again, tying for fourth at LPGA Q-School this past December.

COACHING CAREER TAKES OFF

Drinkard came to Ole Miss from Birmingham Southern College, where she spent six seasons with the women's golf program, four as head coach. During the 2006-07 season, BSC advanced to the NCAA East Regional, hosted by LSU in Baton Rouge, La. It marked the team's second consecutive NCAA appearance in just their fourth season of Division I eligibility. BSC earned the automatic bid to the postseason by winning their second-straight Big South Conference women's golf crown.

"I am extremely excited to be a part of the Ole Miss family," said Drinkard, upon her hiring. "It's a school with a great academic and athletics tradition. I am looking forward to bringing the women's golf program to national prominence."

The two-time Big South Coach of the Year directed the Panthers to their most successful season ever in 2006 as the team claimed the Big South Conference Championship and a trip to the NCAA Central Regional, both firsts for the program. Drinkard coached the Big South Player of the Year, and four members were named to the All-Big South team.

Drinkard's efforts saw the Birmingham Southern women's golf program vault into national prominence, as Golf Digest tabbed BSC as the No. 42 program in the

nation in its September 2006 Golf First list, which recognizes programs for facilities and competition for those junior golfers wishing to play professionally.

A TOP INSTRUCTOR

For three consecutive years (2005-07), Drinkard was named a "Top 50 Instructor" by Golf for Women magazine and served as the teaching professional at Bent Brook Golf Course. She has also been listed in the "Best Teachers in Alabama" by Golf Digest magazine and a "Top 50 Kids Teacher" by U.S. Kids Golf. In addition, Drinkard was named the Dixie Section PGA Teacher of the Year. She was selected to the inaugural class for the 2008 U.S. Kids Golf Top 50 MASTER Kids Teacher.

The Cullman, Ala., native has also served as the Director of the USGA-LPGA Girl's Golf Club in Birmingham, which is one of the largest programs in the country with 100 girls ranging from 8 to 17 years of age.

PLAYING CAREER

Drinkard played on the Futures Golf Tour, the European and Australian Tours from 1988-1990, and attended the LPGA Tour School from 1988-1990. She became a PGA member in 1994.

A golf standout for the University of Alabama, Drinkard was the Girl's Alabama State High School Champion in 1980 and 1981 representing Cullman High School. She earned her bachelor's degree from the University of Alabama in 1986.

Janell HOWLAND Assistant Coach

THIRD SEASON | LAMAR, 2000

- Member of LPGA and Futures Tours
- 11 Top-10 Finishes on LPGA Futures Tour
- Medalist at 2007 Louisiana Pelican Classic
- Participated in 2008 U.S. Women's Open

Janell Howland, a native of Boise, Idaho, is in her third year as assistant coach with the Ole Miss women's golf program.

In her first season with the Rebels, Howland helped coach the team to their third straight NCAA regional appearance as they participated in the NCAA East Regional at LPGA International in Daytona Beach, Fla.

The Rebels also boasted an individual winner in 2011, as Natalie Gleadall captured the Cougar Classic. Four members of the team were named NGCA All-American Scholar-Athletes, and the Rebels tied with South Carolina for the most selections in the SEC.

Howland came to Ole Miss from UNC Wilmington where she spent the 2010 season as a volunteer as-

sistant. During Howland's season with the Seahawks, sophomore Sofia Hagsund qualified for the NCAA East Regional. Howland coached Hagsund and senior Carmen Perez-Narbon to All-CAA honors.

"I am very excited to have Janell in our program," Drinkard said. "She brings a lot of energy and passion for the game as well as her experience as a player on the LPGA and Futures Tours. She knows how to win and that has been a great benefit to us. Janell is able to work with the players to help them see the course from a tour player's perspective and be able to speak to them from experience which is invaluable. We are definitely blessed to have Janell among our family."

A two-time (2005, 2009) member of the LPGA Tour and an eight-year member of the LPGA Duramed Futures Tour, Howland has taken part in more than 120 events and has posted 11 top-10 finishes, highlighted by medalist honors at the 2007 Louisiana Pelican Classic. She ranks in the top 50 among the tour's career money winners. Howland also participated in the 2008 U.S. Women's Open.

Howland began her collegiate career at Tri-State University and led the squad to the 1997 NAIA Women's Golf National Championship while winning individual medalist honors at the 1998 Manchester Championship and posting a runner-up finish at the 1998 Tri-State Championship. After two seasons at Tri-State, Howland transferred to Lamar University and continued to enjoy success on the links. She won the Sam Houston State Championship and the Springlake Championship in 1999.

After college, Howland won the 2001 Bermuda Match Play Championship. She also dominated women's amateur golf in Idaho, winning both the Women's Stroke Play and Match Play Championships in 2001 and 2002 before turning pro in October of 2002.

Howland was the leader of the Fellowship of Christian Athletes (FCA) on the Duramed Futures Tour for seven years.

ATHLETICS DEPARTMENT MISSION STATEMENT

The mission of the University of Mississippi Department of Intercollegiate Athletics is to advance the University's role as a major comprehensive institution of higher learning dedicated to teaching, research, and service. The Department will produce competitive and entertaining athletic teams, by recruiting qualified student-athletes, coaches and staff from diverse backgrounds, providing equal opportunities regardless of ethnicity or gender. The Department will prepare student-athletes to be productive members of society by assisting in their development of academic, athletic, social, and leadership skills within an environment

which fosters integrity, sportsmanship, and emotional, physical, and mental well being.

Operating within the principles of sound fiscal management, the Department will sponsor athletic teams which reflect the interest of the citizens of Mississippi and promote enthusiasm, financial support, cohesiveness, and loyalty within the University community. Demonstrating leadership in all decisions which impact the University, the Southeastern Conference, and the National Collegiate Athletics Association, the Department will conduct itself in an ethical and honest manner.

DR. DANIEL W. JONES | CHANCELLOR

From an early age, Dr. Daniel W. Jones knew his career aspirations revolved around medicine and leadership. And while a physician leading a comprehensive university isn't a common arrangement, Jones' appointment as the 16th chancellor of the University of Mississippi is no surprise to anyone familiar with

his record of leadership and achievements at the UM Medical Center in Jackson and the American Heart Association.

Jones became chancellor on July 1, 2009, and oversees the campuses in Oxford, Jackson, Southaven, Tupelo and Grenada.

Vice chancellor for health affairs and dean of the School of Medicine since 2003, Jones served as the Medical Center's chief executive officer, overseeing five schools and the health system. Under his leadership, UMMC restructured its clinical enterprise to create a more agile, market-responsive organization focused on quality, efficiency and clinical leadership. The work resulted in a turnaround in financial performance and selection as one

of the Thomson Top 100 Hospitals in America.

Jones' leadership team also expanded the Medical Center's commitment to minority scholarships, rural medicine and the elimination of health disparities. Enrollment of underrepresented medical students increased 80 percent in five years.

They also led a campaign that raised \$53 million, expanded the medical school's class size from 100 students to 120 students per class and reorganized the medical faculty clinical practice plan from 17 individual practice groups to a single, unified one, facilitating more efficient management and improved patient care.

Under his watch, the Medical Center's research enterprise has been reinvigorated with completion of the Arthur C. Guyton Research Center, acquisition of funding for a research park and increased research funding.

A native Mississippian, Jones graduated from Mississippi College in 1971, earned his M.D. in 1975 at UMMC and completed his residency in internal medicine there in 1978. He had a private practice in Laurel, then went to Korea as a medical missionary in 1985.

He returned to the UM Medical Center as a faculty member in 1992 and was named the school's Herbert G. Langford Professor of Medicine in 1998. He directed the

hypertension division and led many clinical studies funded by the National Heart, Lung and Blood Institute of the National Institutes of Health. He played a crucial role in the acquisition of funding from NHLBI to create the Jackson Heart Study and was its first principal investigator. As the only large scale study of cardiovascular risk factors in African-Americans, Jones had to overcome the understandable reluctance of African Americans to participate in research and to build consensus among the three participating institutions - Jackson State University, Tougaloo College and UMMC. Neither had ever collaborated in such a massive undertaking.

The chancellor began volunteering for the American Heart Association 20 years ago and became its national president in 2007-2008. He was one of the early voices in AHA leadership to call attention to the growing problem of childhood obesity and heart disease in women. He was AHA's national spokesperson on high blood pressure.

Jones is married to Lydia Channell Jones, also a Mississippi College graduate. They have two children, Jennifer Jones Flechas of Oxford and Jason Jones of Clinton.

ROSS BJORK | ATHLETICS DIRECTOR

Ross Bjork was announced on March 21, 2012 as the seventh full-time Director of Athletics at Ole Miss. Bjork, 39, arrives in Oxford as the youngest AD among BCS schools and comes off a successful stint in that post at Western Kentucky University.

Bjork has set the tone early in his Ole Miss tenure, hiring one of the country's top rising coaches in Brian O'Neal (track and field) in just the first two months on the job. He also appointed three executive level administrators for external relations, academic support and facilities/game operations.

The external relations post was a new umbrella position at the center of Bjork's reorganization of that area of Ole Miss Athletics, including the UMAA Foundation, ticket operations, marketing and communications and the relationship with Ole Miss Sports Properties. He also created the unit for Health and Sports Performance, which combined sports medicine, strength and conditioning, nutrition and counseling services and added a local orthopedic sports medicine component that will provide primary sports medicine care for all student-athletes.

Bjork's vision in facilities has resulted in a development plan for the Indoor Practice Facility. New projects began in the fall and include a full service dining facility, football team meeting room, player lounge and visuals throughout the complex.

Bjork's first full week at the post was spent on the Rebel Road Trip, a six-day, 16-stop tour of the region that served to unite the Rebel fanbase. He carried that momentum into the launch of a major sales campaign for football season tickets, which included television and radio advertising, billboards, internet marketing and a new outbound telemarketing call center.

At WKU, Bjork spent significant time with all head coaches to evaluate and understand the necessary ingredients it

takes for each sport to reach their maximum potential athletically and academically. He oversaw an extensive search process that resulted in Matt Myers being named WKU's new head baseball coach in July of 2011, and groundbreaking is anticipated in the summer of 2012 for major facility upgrades for WKU's tennis and track and field programs.

After Bjork made a midseason coaching change, the Hilltopper men's basketball team went on to capture the 2012 Sun Belt Conference Tournament title and advanced to the second round of the NCAA Tournament. Women's Volleyball won the conference regular season and tournament in 2011 and reached the NCAA tournament each of the last two years, while men's and women's cross country each won conference team titles in 2011. Women's swimmer Claire Donahue finished second in the nation in the 100 yard butterfly, the highest finish in the program's history, and then won a pair of gold medals at the 2011 Pan American Games to become the only WKU athlete to ever claim Pan Am gold.

WKU's football program posted the greatest one-season improvement in conference wins in the history of the Sun Belt in posting a 7-1 league mark and second-place conference finish. WKU football also signed the conference's top recruiting class each of the last two seasons. WKU's soccer program also reached the Sun Belt Conference tournament championship game in 2011 before falling in overtime in their bid to achieve the program's first ever NCAA Tournament berth.

Operating at full speed immediately after being hired at WKU, Bjork immediately created full time coaching positions for both men's and women's golf, implemented a strategic budgeting process, started a master facility plan, restructured several key administrative units and created a new mission statement and core values to guide the athletics program. He also led the "Toppers on Tour" caravan each summer, in which coaches and administrators from the WKU athletic department visit six cities outside of the Bowling Green area in a 19-day span covering over 1,000 total miles. His team also launched the Power of One membership campaign to accelerate growth for the Hilltopper Athletic Foundation

and a new telemarketing program for ticket sales also saw immediate success in new customers for WKU Athletics.

Bjork placed a high priority on academic success at WKU and led the creation of a comprehensive academic retention plan for the athletics department, which is geared to proactively impact all incoming student-athletes. Each of WKU's men's and women's athletic teams exceeded the NCAA required 925 Academic Progress Report Rate (APR), and WKU had more individuals honored for their academic achievements by the Sun Belt Conference than any other institution in 2011-12. For the first time in program history, the overall cumulative average GPA was over 3.0 for all 391 student-athletes and 228 maintained a cumulative GPA of 3.0 or higher. Ten of the university's 15 athletic programs posted a cumulative team GPA of 3.0 or better.

The youngest athletics director of the 120 NCAA FBS programs when hired at WKU, Bjork has an extensive career in intercollegiate athletics with two decades of experience as an administrator and student-athlete, having worked on the senior staffs at UCLA, the University of Miami and the University of Missouri. He began his administrative career at WKU as an Assistant Development Coordinator in 1996-97.

Bjork has also served as Campus Recreation Graduate Assistant and Athletic Department Volunteer at Western Illinois University, Marketing Intern for the University of Tulsa, Front Office Intern for the Albuquerque Dukes and Student Volunteer for Athletics at Emporia State University.

Bjork is a native of Dodge City, Kan., and received his bachelor's degree in recreation administration from Emporia State University in 1995 where he was a two-year starter at fullback. He earned a master's degree in athletic administration from Western Illinois University in December 1996. Bjork is respected nationally by his peers and is Past-President of the National Association of Athletic Development Directors (NAADD). He and his wife, Sonya, have two boys: Payton (6) and Paxton (1).

OLE MISS WOMEN'S GOLF

2013 M&F Bank REBEL INTERCOLLEGIATE

Ole Miss will host the fifth annual Rebel Intercollegiate in 2013 at the Ole Miss Golf Course in Oxford, Miss. The three-day event will take place April 5-7.

The Rebels finished third at last year's Rebel Intercollegiate, and seniors Natalie Gleadall finished third while Haley Millsap finished tied for eighth individually.

The inaugural Rebel Intercollegiate in 2009 was held at the Country Club of Oxford. Former two-time All-American Dori Carter captured medalist honors, shooting a 71 on the final day. Carter finished the day tied for first place with Linn Gustafsson of Tulane, as each player finished the event with a total score of 217, resulting in a sudden death playoff beginning on the fourth hole. After posting a bogey on the fourth hole earlier in the afternoon, Carter sunk a putt from just off the green to earn a birdie and the tournament championship.

"This is our best tournament field to date and every year this tournament is growing with more notoriety within the college schedule," head coach Michele Drinkard said. "We have five SEC teams and three teams ranked in Golfweek's top 25 as of Feb. 3. It's going to be the strongest field to date in this tournament."

"The golf course is in great shape and the teams have enjoyed playing on the course and it should be a wonderful tournament this year. We are looking for a great turnout from our community and our Rebel fan base with Vanderbilt being in town for the baseball series."

This year's 18-team field includes Ole Miss, LSU, Baylor, Tulane, Tulsa, Kentucky, Mississippi State, Memphis, Missouri, Southern Miss, Murray State, East Tennessee State, Minnesota, Coastal Carolina, Furman, Troy, Harvard and Redlands CC.

2011-12 REVIEW

WOMEN'S GOLF EARNS APR AWARD

Women's golf was one of four Ole Miss teams to be recognized as among the elite academic programs in the country in their sport with the NCAA's announcement of the public recognition awards in June. The Ole Miss men's basketball, women's basketball, softball and women's golf programs received the prestigious honor for their latest Academic Progress Rates (APR).

Among Southeastern Conference institutions, Ole Miss' total of four teams is second only to Vanderbilt in the number of its programs to win the award this year.

REBELS EARN FOURTH STRAIGHT NCAA BID

Ole Miss returned to postseason play in 2011-12 for the fourth straight year, earning a bid to the NCAA Central Regional in Columbus, Ohio where the Rebels finished 13th. Individually, Haley Sanders finished tied for 18th (74-78-74 -- 226). This marks the eighth NCAA Regional

appearance for the Rebels, who earned bids in consecutive years in 1998 and 1999 and again in 2003 and 2004, prior to this string of four straight.

ALL-AMERICANS

Dori Carter ended her career as one of the top golfers in the history of the program earning All-America honors in 2008 and 2009.

Carter led the Rebels back to postseason play for the first time since 2004, as the Rebels competed in the NCAA East Regional in 2009. She also earned All-SEC first team honors for the second straight year and won her first career tournament title, capturing medalist honors at the Rebel Intercollegiate. Carter finished with four top-five and four top-10 finishes on the year.

A native of Valdosta, Ga., Carter ranks in the top two in nearly every category at Ole Miss, including the lowest stroke average in a season with a 72.84 in 2008-09.

Carter became the first All-American in the history of the Ole Miss women's golf program, when she was named a Duramed FUTURES Tour Honorable Mention All-American by the National Golf Coaches Association (NGCA) in 2008. She ended the year ranked No. 24 in the nation.

Carter tied for 20th in the 2008 NCAA East Regional in her first ever NCAA appearance. She became the first Lady Rebel since 2004 to compete in the NCAA Championships.

In addition, Carter earned All-SEC first team honors and was the top finisher for the Rebels in every tournament, including four top-five and five top-10 finishes.

At the Crimson Tide Classic, Carter carded a school-record 65 in the final round to finish second, narrowly missing her first tournament title by two strokes. Led by Carter's school-best three-round total of 11-under 205 the Rebels took third in the tournament.

She helped the Rebels earn a top-five showing at the Gator Suntrust Invitational, as they equaled the second-lowest 54-hole score (892) in program history.

PRACTICE FACILITIES

The men's and women's golf teams can practice rain or shine now with the addition of the Herrington Golf Center. The 3,600-square-foot indoor-outdoor practice facility includes hitting and video bays. The building, made possible by a generous gift from Clay and Elinor Herrington, sits adjacent to the Whitten Golf House.

PRACTICE FACILITIES

▲ The Rebels have their own driving range, which opened in the fall of 2006.

► In 2009 a short game facility was completed allowing the Rebels the ability to practice chipping and putting right outside the Whitten Golf House.

WHITTEN GOLF HOUSE

The Whitten Golf House houses team meeting rooms, locker rooms for both teams, coaches offices and areas for storage and repair of golf equipment as well as a state of the art putting area upstairs.

"THE THING I LOVE MOST ABOUT PLAYING GOLF IS THAT YOU ALWAYS HAVE THE OPPORTUNITY TO GET BETTER. ONE NEVER ACHIEVES PERFECTION IN GOLF BUT YOU CAN ALWAYS STRIVE FOR EXCELLENCE."
